Explanation of symbols concerning the field of study:

FA - Global Finance and Accounting field of study (study major)

W – category of knowledge (category of the learning outcomes description)

U – category of skills (category of the learning outcomes description)

K – category of social competencies (category of the learning outcomes description)

01, 02, 03... and more – the number of the learning outcome

Explanation of symbols concerning the learning outcomes descriptions:

- P – the Polish Qualifications Framework level (pl. PRK – Polska Rama Kwalifikacji)
- P6S – learning outcomes according to the Polish Qualifications Framework level 6 in reference to the following second-tier characteristics (Knowledge – Skills – Social competencies)

P6U_W – learning outcomes according to the Polish Qualifications Framework level 6 in reference to the second-tier characteristics concerning KNOWLEDGE:

- P6S_WGS – Descriptive category – fundamental aspects – Depth and scope
- P6S_WK – Descriptive category – fundamental aspects – Context

P6U_U – learning outcomes according to the Polish Qualifications Framework level 6 in reference to the second-tier characteristics concerning SKILLS:

- P6S_UW – Descriptive category – fundamental aspects – Applying the knowledge
- P6S_UK – Descriptive category – fundamental aspects – Communication
- P6S_UO – Descriptive category – fundamental aspects – Organisation of work
- P6S_UU – Descriptive category – fundamental aspects – Learning

P6U_K – learning outcomes according to the Polish Qualifications Framework level 6 in reference to the second-tier characteristics concerning SOCIAL COMPETENCE:

- P6S_KK – Descriptive category – fundamental aspects – Evaluation – critical approach
- P6S_KO – Descriptive category – fundamental aspects – Responsibility
- P6S_KR – Descriptive category – fundamental aspects – Professional role
-
